\*The window for Earning Rank is the same as the rolling 4 week Activation Period. However, an Independent Distributor has a one-time window of 6 weeks to earn rank from their initial sign up date. All commissions are subject to Distributor and/or volume requirements.

## bonuses

You can tap into six income streams designed to grow with you: Qualification Bonus, Fast-Start Direct Bonus, Team Bonus (Cycle), Leadership Matching Bonus, Super Cycle Bonus and Rank Achievement Bonus.

Whether you're sharing products, building a community, or stepping into leadership, every action you take to help others succeed unlocks new earning potential.

### Qualification Bonus

Earn a \$50 Qualification Bonus when you personally enroll two active Distributors - one on your left team and one on your right - activating your position in the binary structure.

### Fast-Start Direct Bonus

Earn from your first share. Get rewarded instantly every time you personally enroll a Distributor with a Partner, Executive, or Professional level order. This bonus is paid out when your Personally Enrolled Distributor generates either 200 PV, 400 PV or 600 PV with their enrollment order.

This is your fast-start income - designed to pay you quickly for taking action, building momentum, and growing your business from day one.

Level Ordered	Earning Rank			
	Associate	Partner	Executive	Professional
Partner	\$20	\$20	\$30	\$40
Executive	\$40	\$40	\$50	\$80
Professional	\$100	\$100	\$125	\$200

## Team Bonus (Cycle)

Earn a weekly Team Bonus (Cycle) every time your business generates balanced volume on both sides of your binary - 300 BV left and 300 BV right. This is where duplication pays. As your team grows and cycles continue, so does your income.

Earn up to \$30,000 USD per week in Team Bonuses (Cycles). Unmatched volume carries forward, so nothing goes to waste (up to 250,000 BV per team).

EXAMPLE:

LEFT TEAM

**300 BV**

+

RIGHT TEAM

**300 BV**

Earning Rank	Cycle Bonus
Partner	\$30
Executive	\$40
Professional	\$50

## Leadership Incentives

Our leadership incentives focus more on rewarding your long-term goals.

Leadership ranks are evaluated each calendar month. Your leadership rank is determined by the amount of new Bonus Volume (BV) generated by your left and right teams and the number of Active Level 1 distributors in your left and right teams. To be eligible for Leadership Bonuses, you must be active, fully qualified and satisfy the applicable leadership earning and rank requirements.

## Leadership Matching Bonus

Partner, Executive, and Professional Distributors may achieve leadership ranks to earn monthly leadership matches. Earn up to a 10% match on Team Bonuses earned within your sponsorship tree. Partners are eligible to earn up to 1 Level. Executives are eligible to earn up to 2 levels. Professionals are eligible to earn up to 5 Levels.
