# Your Ticket to **FINANCIAL FREEDOM**

The business itself is simple. Our members can earn a percentage of every dollar sold, and accrue points for every product.

There aren't any bulky brochures or complicated order forms to keep up with. The secure online retail store is always up-to-date, and personalized to your business. We store the products, so you don't have to worry about space or shipping costs. Enroll new members to build your business group and maximize your income.

## **JOIN NOW AS AN INDEPENDENT MEMBER**

Join now as an Independent Member and purchase the Global Software System (GSS) for \$19.00. The GSS includes the online account manager, customized websites, retail store, and a secure payment center. After 12 months, renew the GSS for only \$19.00 and keep your business open.

## **ACTIVATE YOUR RETAIL BUSINESS CENTER**

Your activated Retail Business Center (RBC) holds accrued points, called Bonus Volume (BV). You must meet a minimum volume requirement of 50 PV each activation period to keep your RBC active. The initial period lasts six weeks, while subsequent periods last four weeks.

## **QUALIFY YOUR RETAIL BUSINESS CENTER**

Personally sponsor two members in your business group: one in your left team and one in your right team. In order to apply towards our qualification requirements, these members must be activated.

## **TEACH**

Simply teach and help others. That's it - pretty simple all the way around. Just do steps 1, 2 and 3, teach others to do the same, and over time you have the potential to earn all the forms of compensation mentioned below.

# **VOLUME, RBC, INCOME, & PAY CYCLES**

## **VOLUME**

Each of our products has an assigned volume value. Members earn volume through their retail store and from business group sales. Personal purchases and sales made from your retail store are logged as Personal Volume (PV). All volume, no matter how it was generated, is referred to as Bonus Volume (BV).

## **RBC**

You must generate at least 50 PV each period to keep the RBC active. Only members with an active RBC may earn bonuses and leadership incentives. Inactive RBCs cannot hold or accrue downline volume. Any RBC that goes inactive will be zeroed out and lose all downline volume points, including any carryover points. Unfortunately, we cannot reinstate volume lost due to inactivity.

## **INCOME**

bHIP members may earn two types of income: retail profits and commissions. Earning ranks determine your retail profit margin. Eligible members may also earn bonuses and leadership incentives (collectively called commissions) to maximize their income. All of our earning ranks and commissions are subject to certain requirements.

## **PAY CYCLES**

Pay cycles are one week long, and start on Monday, 12:00 am Central Time, and end Sunday at 11:59 pm Central Time. Paid orders are drop-shipped from bHIP's distribution facility directly to purchasers.

Qualification, Direct and Team bonuses and retail profits are paid weekly, two weeks in arrears. Leadership Incentives are paid monthly, two weeks in arrears. Your region may place a dollar minimum on issued payments. For details on area restrictions, please contact Member Support at [support@bhipglobal.com](mailto:support@bhipglobal.com).

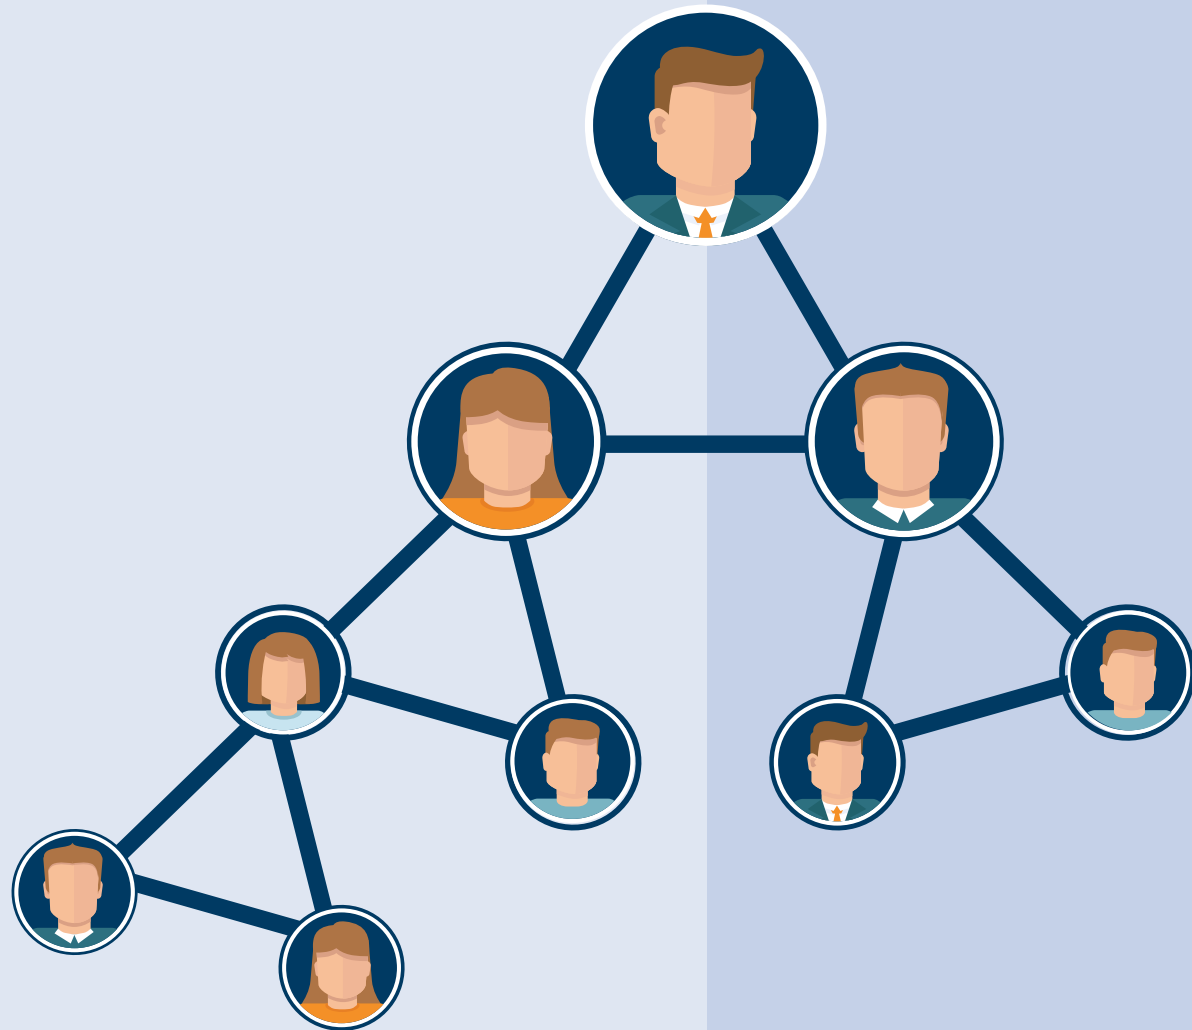

**All monetary values are in USD.**

## LEADERSHIP INCENTIVES

bHIP offers four types of leadership incentives for our Professional members who achieve a leadership rank: Matching, Differential, Super Cycle and Rank Achievement Bonuses. Our leadership incentives focus more on rewarding your long-term goals.

Leadership ranks are evaluated each calendar month. Your leadership rank is determined by the amount of new bonus volume (BV) generated by your left and right teams and the number of active Level 1 members in your left and right teams.

To be eligible for Leadership Bonuses, you must be active, fully qualified, and Professional rank, and satisfy the applicable leadership rank requirements.

### LEADERSHIP MATCHING BONUS

Professional members may achieve leadership ranks to earn monthly leadership matches. Earn up to a 10% match on Team Bonuses earned by your applicable leveled members.

# LEADERSHIP DIFFERENTIAL BONUS

Professional members may achieve leadership ranks to earn monthly Differential Bonuses. Earn Differential Bonuses each time you personally sponsor a member with an Executive or Professional package.

One Differential Bonus is paid at each leadership rank. The higher your leadership rank, the more bonuses you can earn on your personally sponsored Executive or Professional package sale. You earn the bonus for your leadership rank PLUS the bonus for each of the lower leadership ranks!

You can also potentially earn Differential Bonuses when someone within your sponsorship tree personally sponsors a member with an Executive or Professional package. If that sponsor has not achieved the highest leadership rank, the remaining unpaid Differential Bonus(es) will pay up the sponsorship tree to the nearest member with a higher leadership rank.

# 70% CAP RULE

To ensure the strength and profitability of our business plan, commission payments are subject to a 70% cap rule. bHIP pays up to 70% of eligible commissionable volume generated over the lifetime of the plan. Should the projected commissions for any week exceed 70% of the current commissionable volume, bHIP will dilute Team Bonus payouts for all members to stay in line with our stated limits. All of our members will experience this dilution at the same rate and proportion.

Neither past nor present commission payments may exceed the 70% threshold, no exceptions. The 70% Cap Rule applies to all commissions of all pay cycles.

bHIP realizes how important it is for our members to receive their full payouts, and we have taken certain safeguards to prevent the above scenario from happening. When possible, any excess monies are retained to ensure that we need never reduce member commissions.
